

Self Service Portal Configuration

For enabling the physical access quick link & Web Chatbot in the portal, please follow the below steps –

1. Access the URL https://maanticuplus.web.app/retail_bank/index.html
2. Click on Login button on the top right corner and login with the credentials below:
joe@pegasystems.com/rules
3. Click on settings link at the bottom left corner. You will be able to see an option to **upload configuration file**.
4. Upload the configuration file and after uploading the file, **click on save**.

config-text.json

5. Again click on the URL mentioned in step 1 and login with
sheaparkeroo7@gmail.com/rules
